Rock Out Youth Foundation

RECONNECTING WITH THE LOST GENERATION

Together we bring WISDOM & KNOWLEDGE! Fight the fight with truth, not violence, do not get caught up in what you see - instead be an example, that others can follow.

Rock Out Youth Foundation seeks to create a positive setting that will enable us to connect with our peers. Our goal is to create meaningful connections through our mentorship program. These meaningful connections create a caring environment, which will then allow us to facilitate in the current education of today's youth.

KEY ISSUES WE ADDRESS

- SELF-ESTEEM
- DRUG PREVENTION
- ACKNOWLEDGEMENT
- GANGS AND VIOLENCE
- HEALTHY RELATIONSHIPS

whatever you're going through, we are here

ACKNOWLEDGEMENT

Acknowledgement of our youth, is an aspect that is recognized daily at the ROY Foundation. Through our relationship with Volunteer Calgary, our youth will have the freedom to take a valuable role in their community, as well as throughout our province and anywhere in Canada.

ACADEMIC EXCELLENCE

Academic excellence, is an expectation that we incorporate into our foundation; tutoring our youth with their school assignments, projects, and labs. As a result of today's fast-paced lifestyle, parents are sometimes unable to provide adequate time to assist in helping with homework. We will dedicate the extra time required for our youth to succeed

WORK SHOPS

Our resume workshop & other workshops gives our youth the knowledge to construct a professional résumé. This résumé will enable our youth, and employers, to recognize and believe that their skills and qualifications are excellent. Incentive programs and free transportation promises our youth a safe haven, even if financial woes get in the way.

AFTER SCHOOL PROGRAMS

After school programs will be offered in the near future. Our intentions are to provide our youth with a safe haven after school and on weekends. This helps to prevent boredom, which can lead to troublesome or questionable situations.

BRINGING IN OUR YOUTH

Primarily, our goal is to link up with the surrounding communities & school. Safety at the ROY Foundation is first; we do not turn anyone away, but a background check is required before entry into the program. We then study one's history and place them in a program that best fits their needs.
